Today's tour is packed with great locations, incredible views and natural wonders. So, sit back and relax while your Driver Guide provides expert commentary on all the key landmarks along the way.

**• Great Ocean Road**

• The Great Ocean Road stretches for 243 kilometres along the stunning south-eastern coast between Torquay and Warrnambool. An Australian National Heritage listed road, it was built by returned soldiers between 1919 and 1932. The road winds through gorgeous terrain along the coast and leads you to many significant landmarks and natural wonders.

**• Apollo Bay**

• At the foothills of the Otways lies the gorgeous seaside village of Apollo Bay. Surrounded by rolling green hills and ocean, Apollo Bay is a lively holiday destination during summer. Here you can relax and treat yourself to lunch (own expense) at one of the many cafés and restaurants, or you can join us at the Apollo Bay Hotel to enjoy an optional lunch with some great food and local hospitality.

• The Twelve Apostles

• The rugged splendour of the approaching Twelve Apostles is just breathtaking. These incredible limestone rock formations up to 45 metres high are the result of erosion that began up to 20 million years ago. Your Guide will share the history of their fascinating evolution while you take in the great spectacle of this natural wonder. If you find you can only count 8 Apostles and not 12 – test your Driver Guide's knowledge as to why!!

**•Scenic Walk**

•There are many walks around the location of the Twelve Apostles providing closer access to the shoreline. From the cliff top viewing area you can absorb the grandeur of this iconic site and take some photographs.

**• Loch Ard Gorge**

• Now you'll visit the beautiful Loch Ard Gorge and learn of the ill-fated English ship 'Loch Ard' that ran aground on nearby Muttonbird Island in 1878. The ship sank within 15 minutes, taking with it all but two of the 54 passengers and crew on board. The survivors came ashore and found refuge at what is now known as Loch Ard Gorge, a striking example of the process of erosion.

**• Port Campbell**

• Now you can take a well earned break at the gorgeous little seaside village of Port Campbell. Sheltered by cliffs and Norfolk pines, this little haven has a colourful and lively personality. You can treat yourself to afternoon tea at one of the cafés or bakeries luring you to homemade treats (own expense). You can also enjoy a wander through the boutique stores and galleries – there's plenty here to tempt you.

**• Operate Daily. Departs 8am & Returns 8pm approximately**

**Day 03 MELBOURNE-GRAMPIANS NATIONAL PARK (BKF/LCH) K39**

Enjoy your breakfast at hotel

Sit back and relax with a small group in the comfort of your mini-coach, as you travel to the amazing Grampians. Your Driver Guide will provide details of the day's itinerary while you enjoy the journey west, stopping along the way for complimentary morning tea in the charming township of Beaufort (Morning Tea Included)

**• Grampians National Park**

• One of the world's oldest and most spectacular mountain ranges, rich in Aboriginal history with its high concentration of rock art and with an abundance of wildlife, the Grampians National Park is sure to inspire you! Your Guide will point out the unique wildlife including kangaroos, koalas, emus and a vast array of birdlife

**• Halls Gap**

• Located in the heart of the Grampians National Park is Halls Gap, a delightful small town nestled between the soaring rocky mountain peaks that constitute the Wonderland and Mount William Ranges. You'll have time here for a picnic lunch then you can stretch your legs on a nature walk – you may even spot a kangaroo!

**•Aboriginal Cultural Centre**

• Learn about the indigenous culture of Gariwerd, the traditional name for the Grampians, at Brambuk – the National Park and Cultural Centre. The centre brings to life the amazing history of the local Aboriginal communities. It is also the perfect place to experience Australia's native flora and fauna.

**•Scenic Lookouts**

• Take in the stunning views over the Victoria Valley and the Serra Range, Lake Wartook and the Mount Difficult Range on your visit to Boroka and Reeds Lookouts. Then hike through rock outcrops and a stringybark forest to the Balconies Lookout for panoramic views including the Jaws of Death.

**• MacKenzie Falls**

• Now it's time to cool off after a walk to the base of Australia's most inspiring waterfall - MacKenzie Falls. Water cascades over huge cliffs into a deep pool, sending fine sprays of rainbow mist high into the air above a stunning gorge.
