This morning you're going to enjoy some good old fashioned fun and the most beautiful rainforest in Victoria. We'll get your day started with a journey through Melbourne's eastern suburbs and views of the Dandenongs in the distance.

•The Dandenongs

• The Dandenong Ranges, known to the locals as the Dandenongs, are beautiful low mountain ranges just 35kms east of Melbourne. At their peak, they rise to more than 630 metres and are cloaked in lush rainforests of Mountain Ash trees (the tallest flowering plant in the world), waterfalls, rolling hills and steep valleys. The region is home to the famous Puffing Billy Railway, arts and craft stores and cafés offering delicious homemade produce.

• Grants on Sherbrooke & Devonshire Tea

• Nestled in the heart of the Dandenong Mountains is Grants on Sherbrooke – a haven in the wilderness. On arrival you'll be charmed by the surrounding mountain hue and crisp clear air. While here you'll enjoy a traditional Devonshire Tea of homemade scones, served warm with jam and cream **Included Meals:** Devonshire Tea

• Handfeeding the Bird Life

• Grants on Sherbrooke is a paradise for bird life and you can handfeed some of the most striking Australian birds such as the colourful Crimson Rosella, Sulphur-crested Cockatoo and Pink-chested Galah. Make sure you have your camera on hand for some great photos

• Puffing Billy Steam Train

• Next you head to Belgrave, home of the famous Puffing Billy Steam Train, where you are in for some fun! This century-old steam train is maintained in its original glory and runs to this day on its own mountain track from Belgrave to Menzies Creek. Here you'll go back in time as you get on board for a 30 minute ride through the heart of the rainforest. You'll head through the gorgeous Sherbrooke Forest and ride over the old Trestle Bridge. Just before Menzies Creek you can see stunning views of Port Phillip Bay. You're going to love it!

• Healesville Wildlife Sanctuary

• Now you're off to explore the Healesville Wildlife Sanctuary and meet some Aussie wildlife. Set in a natural bushland environment this Sanctuary is home exclusively to Australian wildlife. Here you can walk the paths through the numerous habitats to see wallabies, wombats, koalas, kangaroos, dingoes and more than 200 native bird varieties.

Day 03 MELBOURNE/PHILLIP ISLAND PENGUINS/WILDLIFE K10(BKF)

After breakfast, morning is free. Then in the afternoon make your way to join your SIC Tour.

• En Route

• This afternoon you will travel south-east, heading to Westernport Bay. The route will take you through many of Melbourne's affluent suburbs where you will see tree lined streets and beautiful homes, many built in the late 1800s. As the South Gippsland Highway approaches the landscape becomes more rural dotted with smaller townships and farming properties

• Maru Koala & Animal Park

• First stop is Maru Koala & Animal Park for up close and personal encounters with koalas, kangaroos, Tasmanian Devils and much more!

• Phillip Island

• You'll cross the only bridge that connects Phillip Island to the mainland. Home to the famous Penguin Parade, Phillip Island also features a stunning coastline with great surf conditions and a range of wildlife including the largest colony of fur seals in Australia. It is also the location of our Motorcycle Grand Prix track, so it's no wonder this island paradise attracts up to 3 million visitors each year.

• Nobbies Rock Formations

• Before reaching the site of the Penguin Parade you'll see the 'Nobbies', so named for its unique rock formations. Located at the western tip of the island, this area has high conservation significance due to its population of penguins and graceful sea birds.

• Penguin Parade

• So you think the koalas are cute – just wait until you see the Little Penguins. After visiting the information centre and souvenir shop, you'll head down to Summerland Beach to witness some penguin magic. Just as the sun sets, the wild Little Penguins emerge from the sea after a hard days fishing and waddle across the sand to their dune burrows. These Little Penguins are the smallest of the penguin species and Phillip Island is home to the largest colony in the world. It's easy to understand why this wonderful spectacle is one of Australia's most popular wildlife attractions. To protect these Little Penguins, all revenue generated from the parade is invested into environment and education projects.
